LAND USE PERMIT (LUP) APPLICATION

Date _____

The Manager
Watershed Management Department
National Power Corporation
Diliman, Quezon City

Sir:

In consonance with the provisions of Circular No. _____, I/We hereby apply for a Land Use Permit in relation to _____ within the _____.

Attached herewith are the following:

- Letter Request/filled up application form;
- Location Map of the Project Area, drawn to scale of 1:10,000 or larger;
- Recent Geo-Referenced photos of the areas being applied for taken from four cardinal directions, North, East, West, South;
- Topographic map of the project site (drawn to scale at least 1:10,000 or larger);
- Clearance(s) from other concerned agencies, local government units and IPPs or plant owner/operator stating among others, that the project/activity being applied for will not affect their present operation or any future plan for development or expansion
- Detailed Development Plan;
- Copy of Environmental Compliance Certificate (ECC) and initial Environmental Examination (IEE) Checklist Report;
- Copy of Certificate of Registration from SEC, DTI CDA with Articles of Incorporation and By-laws, as applicable
- Name/s and Numbers of Contact Person/s in Charge; and
- Other useful/relevant information _____

I/We understand that the filing of this application does not convey the right to enter and/or occupy the area or conduct any activities therein until the Watershed Area Clearance has been granted by the Corporation.

Very truly yours,
