SPECIAL TREE CUTTING PERMIT APPLICATION

Date _____

The Manager
Watershed Management Department
National Power Corporation
Diliman, Quezon City

Sir:

In consonance with the provisions of Circular No. _____, I/We hereby apply for a Special Tree Cutting Permit in relation to _____ within the _____.

Attached herewith are the following:

A. For existing Transmission Lines Rights-of-Way and related Facilities of NGCP, Power Plant and Geothermal Steam Field Operators, Distribution Utilities/Cooperatives:

- Letter Request/filled up application form;
- Initial Inventory and Geotagged (GPS based) location of the trees/saplings affected including a brief description of scientific and local name/s, number of trees, diameter at breast height description of scientific and local name/s, number of trees, diameter at breast height (DBH) of the trees, tenurial status of the area (whether public land, A&D, privately owned, tax declared, etc.), representative pictures of the trees, other useful information;
- Forest Charges, Application, Inspection and other Fees (to be determined after the conduct of field inspection/survey/inventory); and
- Name and Contact Numbers of Person/s in Charge.

B. For New Areas (those not presently covered by existing Rights of Way)

- Letter of Application
- Land Use Permit (LUP)
- Initial Inventory and Geotagged (GPS based) location of the trees/saplings affected including a brief description of scientific and local name/s, number of trees, diameter at breast height description of scientific and local name/s, number of trees, diameter at breast height (DBH) of the trees, tenurial status of the area (whether public land, A&D, privately owned, tax declared, etc.), representative pictures of the trees, other useful information.

I/We understand that the filing of this application does not convey the right to enter and/or occupy the area or conduct any activities therein until the Watershed Area Clearance has been granted by the Corporation.

Very truly yours,
